Submitted to His Highness.

One of the three motor cars placed at the disposal of the Dewan, viz., the small DeDion car of 8 H.P. having become old and unserviceable the same was, with His Highness' approval, recently ordered to be sold by public auction, - the proceeds being credited to Government.

2. His Highness was graciously pleased last year to - sanction the purchase of a ' Wolseley' car for the use of the Dewan. This is too good a car to be taken on rough roads and for long tours in the Districts. There is thus left only the ' Hotchkiss'. As the Deputy Commissioner of the District is usually given a seat in the Dewan's car, there is now no car for the staff that has to accompany the Dewan in his tours.

3. The accompanying statement shows that Mr. V.P. - Madhava Rao had two cars and Mr. Ananda Row had four. In Government Order No. Fl. 3391-2/ S.& A. 319-13-4 dated 2nd February 1914, His Highness was pleased to sanction two cars and a run-about for tours in the interior of the State, for the use of the Dewan and his staff.

4. It is therefore proposed to replace the small Dedion car by purchasing a small run-about at a cost not exceeding. Rs 4,000. The cost of the car will be met out of the provision of Rs 20,000 provided in the current year's Budget under the head ' Dewan's tour charges'.

5. I solicit His Highness' sanction to the purchase of the car referred to above.
